Mating		█										
Nesting			█									
Gosling Maturing & Foraging					█							
Molting						█						
Pond Hopping & Foraging	█							█				

Control Program (Spray Times)												
	To prevent Geese from feeding and new pairs from choosing an area as a nesting site. Also, to condition existing pairs away from established nesting sites.				Treat High Traffic areas as needed				To Prevent geese from feeding and to begin to condition the geese away from an existing nesting site prior to spring nesting... prevent them from wintering on your property!			

Herding Program (Spray Times)												
	Geese may not leave nesting sites, but will avoid feeding in treated areas
